

Banking for Healthcare Professionals

Customized solutions to manage the demands of your practice

Dedicated bankers who understand your business.

At Webster, we know how hard it is to care for your patients while managing the day to day business operations of your practice. Between adopting new technologies and the pressures of staying competitive, the last thing you need to worry about is your day to day finances.

That's why we have business bankers dedicated exclusively to healthcare. They understand the industry changes that are affecting the way you manage and access financial information. This way they can offer the right solutions for your needs including:

- A choice of business checking, savings and credit card
- Flexible lending options:¹
 - Lines of credit to manage your cash flow cycle
 - Commercial mortgages for office acquisition, relocation and modernization
 - Investment commercial real estate
 - Leasing
 - Term loans for hardware, software and equipment acquisition
 - SBA financing
 - Business overdraft services
- Credit card processing with next day funding²
- Cash Management tools to streamline payments and receivables: ACH, Wires, Positive Pay and Webster Deposit-Link[®]
- Personal banking offers through our Webster Bank at Work program
- Wealth management services for you and your clients through Webster Private Bank^{®3}

Connecting you with business bankers who understand what your healthcare practice needs to be successful is our way of living up to your banking standards. So you can spend less time worrying about finances and more time caring for your patients. And that's what matters most.
