

## PQRS Corner

### New MYQRUR Webinars

Learn how to use data from your Mid-Year Quality and Resource Use Report (MYQRUR) to improve patient care and control costs.

CSMS will host free MYQRUR webinars on Thursday, 5/5 @12:15 pm and Tuesday, 5/10 @ 4 pm. Both will include a live Q&A segment, so you can get real-time answers for your Medicare quality program questions. [Click for details or visit csms.org/webinars.](#)

### GPRO Registration Reminder

The 2016 registration period for the [Group Practice Reporting Option \(GPRO\)](#) is now open, and runs through June 30.

#### *GPRO Did You Know?*

- ➔ 2016 PQRS reporting requirements apply to physicians, NPs, PAs, CNSs, and CRNAs in **groups of all sizes** - not just solo practitioners.
- ➔ **Annual registration** is needed - the previous year's GPRO participation in PQRS is not carried forward.
- ➔ You must have an [EIDM account](#) to access the GPRO registration system.

For details on GPRO registration, modifying or cancelling a registration, and a downloadable [GPRO Registration Guide](#), visit the [CMS website](#).
