

Informal Review Requests: Don't Wait!

Did you:

- Receive a **PQRS payment adjustment letter** (-2.0% applied to all Medicare reimbursements in 2018)?
- See a negative payment adjustment for 2018 in your Annual Quality and Resource Use Report (AQRUR) Value Modifier (**VM**) calculation?

If you think that either of these adjustments are in error, you can request an **Informal Review** - but your request(s) must be submitted by **December 1, 2017 at 8 pm Eastern**.

You will receive an email confirmation once your review request is successfully submitted. Please note that CMS informal review decisions are final.

An **Enterprise Identity Management (EIDM) account** is required to download PQRS Feedback Reports and AQRUR, and to request an Informal Review.

If you **do not** have an EIDM account, [register now](#) to ensure access to these and other materials.

If you **do** have an EIDM account, confirm that your existing account is active.
