MIPS Navigator™ Tool

The [MIPS Navigator™](#) is an on-line tool that makes it possible for individual clinicians or practice administrators to quickly and easily sort through the various MIPS alternatives and produce a "2017 MIPS Itinerary/Plan" designed to maximize their potential 2019 MIPS bonus.

The MIPS Navigator™ is **free of charge** for CSMS members. Please email CSMS General Counsel Layne Gakos lgakos@csms.org for additional information.
