

MIPS Group Registration Ends June 30, 2017

Is your group planning to submit 2017 MIPS data using the **CMS Web Interface** (for groups of 25+ Eligible Clinicians) or the **Consumer Assessment of Healthcare Providers and Systems (CAHPS) for MIPS Survey** (for groups of 2+ Eligible Clinicians)?

If **yes**, you must register your group with the [CMS Enterprise Portal](#) by **June 30, 2017**.

Note: Registration is **only required** for groups using the *CMS Web Interface* or the *CAHPS for MIPS Survey*.

Your group **does not need** to register if you plan to

- Submit MIPS data through a **Qualified Registry, Qualified Clinical Data Registry, or electronic health record**
- Participate in a Shared Savings Program Accountable Care Organization (ACO). The ACO is required to report quality measures on behalf of clinicians for MIPS via the CMS Web Interface
