Cooking Up New Webinars for You

Hungry for more info about Medicare quality programs?

The Connecticut State Medical Society (CSMS) is whipping up two new Medicare quality webinars for the fall:

- ***Understanding the Value-Based Payment Modifier (VM)***
- ***Decoding the Annual Quality and Resource Use Report (AQRUR)***

Both webinars will be filled with juicy details on improving patient care and optimizing your Medicare reimbursement.

Save room for these informative webinars - details coming soon.
