PQRS - Reporting Once in 2015

Wednesday, March 18 from 1:30-3 pm

[Register now for this free MLN Connects National Provider call](#), and learn how to report once in 2015 for multiple Medicare quality programs: PQRS, EHR Incentive program, Value-Based Modifier (VM) program, and Medicare Shared Savings Program (MSSP).

Remember - satisfactory reporting of your 2015 data will help you avoid the 2017 PQRS negative payment adjustment, satisfy the Clinical Quality Measure (CQM) component of the EHR Incentive program, and satisfy requirements for the VM, avoiding the VM payment adjustment.

CMS is evaluating this call for CME and CEU continuing education credit (CE). Refer to the [call detail page](#) for more information.

PQRS - Virtual Office Hours (Measures 201)

Monday, March 23 from 1-2 pm

This Measures 201 webinar will feature a live demo on searching for applicable PQRS measures, followed by a Q&A session. On a more intimate scale than the National Provider Calls, the Virtual Office Hours format offers participants the opportunity to dive deep on one specific topic.

Space is limited - [register now](#) for this free program. If you have multiple attendees from your office, please register once and attend as a group if possible. Once registered, you will be able to submit questions for the webinar.
